

The Credibility Revolution

An Introduction to Open Science

What is OPEN SCIENCE and why should you care?

Join us for our first lecture about Open Science practices, why it matters to all of us and what we can do to change psychological research.

Sophia Crüwell (a future metascience PhD) will give us an overview of the current problems, the possible solutions and what we, as students, can contribute to improve science.

**For Students,
PhDs,
Researchers and
those interested
in improving
Science.**

WHEN?

**18th of March
16:00 - 17:00**

WHERE?

G. S.09

**ONE
COLLOQUIUM
POINT**
